

CAR275

Effective dirt extraction

- trouble-free carpet cleaner

PART OF THE NILFISK GROUP

VIPER

Clean and spotless carpets

www.vipercleaning.com / hello@vipercleaning.com

The Viper CAR275 is the perfect choice for maintaining heavy trafficked carpets in a midsize application. The machine is easy to use and will leave behind a spotless result. With the hand tool accessory you can also benefit from cleaning furnitures from spills and dirt.

- Easy emptying of the tank without removing the motor
- Simple and user-friendly to maneuver with large rear wheels and rotating front wheels
- Rugged solution tank and chassis integrated as one part

One-touch function for great ease-of-use

Cable and accessory storage

Fresh water tank integrated in the chassis
