## The top-of-range high pressure washer for powerful outdoor cleaning

This top-of-line premium quality high-pressure washer satisfies all frequent and large cleaning tasks.

This robust premium quality high-pressure washer satisfies all frequent and large cleaning tasks, providing professional cleaning results.

Designed for durability with long-lasting induction motor and metal pump with brass cylinder heads. The brass cylinder heads are tough and has a high durability, which enables this pressure washer to deliver incredible results again and again.

Offering good ergonomics, high level of comfort, flexibility, user friendliness and includes a long steel-armored hose to ensure maximum range of operation.

The best choice for tough jobs like cleaning boats, pools, caravans, swimming pools, horse trailers and driveways.

To increase performance, this Nilfisk can adapt to a wide range of optional accessories.

- 190 max pressure
- Metal pump with induction motor and brass cylinder head for high durability
- Handles all tasks on surfaces up to 60 m<sup>2</sup>/ hour
- Fully flexible pressure regulation
- Excellent mobility on all types of surfaces with built-in trolley and large wheels
- Convenient accessory storage and hose reel
- Easy storage of electric cable
- Built-in detergent dosage-function and regulation
- Long lance and telescopic handle supports good working positions
- 12 m steel armed high pressure hose enhances flexibility.
